Be a Part of Something Bigger! Are you looking for work that inspires you? At JA of Greater Washington, we know what matters. We’re motivated by our mission – teaching young people how to succeed in a global economy – and we wake up every day inspired to serve more than 40,000 students in the Washington, D.C. area.

But a career at JA of Greater Washington is about more than our mission and programs. Here, you’ll find opportunities to learn and grow into new skills and responsibilities. You’ll find mentors that care, and help you reach new heights. And you’ll find the resources, flexibility, and support to live your life to the fullest outside of work, whether that means investing in your family, your education, your hobbies, or your wellbeing.

Join JA, and join us in a career that matters.

Position Concept

JA Finance Park is an innovation in experiential education designed to prepare students for life and work in the real world. Students learn and practice how to make informed decisions for lifelong success by aligning the realities of life – and personal choices – with financial stability; connecting education and career decisions with income expectations, and experiencing first-hand what it takes to make it in the JA Finance Park budgeting simulation.

There are three JA Finance Park locations in Greater Washington: Fairfax, VA, Landover, MD and Silver Spring, MD. Together, these facilities serve over 40,000 students and engage over 6,000 volunteers to guide students through the budgeting simulation. The JA Finance Park Assistant supports facility-based operations, the execution of the JA Finance Park experience, and provides a positive customer experience to constituents, students, volunteers, teachers, and guests.

This position is a member of the Experiential Learning Centers team supporting the facility-based capstone experiences across the region ensuring constituents are supported, prepared and motivated to bring financial literacy to middle school students in our area on a daily basis. The JA Finance Park Assistant will report directly to the Senior Manager at their assigned JA Finance Park facility and work with the rest of the Experiential Learning

Centers Team to ensure all aspects of the simulation are ready for the volunteers, school staff and students. This role will work with their colleagues to ensure the student simulation operates efficiently and effectively. The Associate will support the regional and national sharing of best practices.

This position is location-specific to Prince George's County Finance Park. Occasional, planned local travel to other JA Finance Park facilities may be required for training or support purposes.
